

SINCLAIR AND BENNETT...

Blending their raw vocal talents with rocking instrumentals, Sinclair and Bennett will treat you to an evening of sheer pleasure.

After their first sold-out event in Deep Cove in 2010, a result of mutual fans urging them to perform together, David and Keith have gone on to play across America and Europe.

Combining a rootsy style of blues, jazz and folk, their intricate arrangements of U2, Hendrix, the Beatles and Beethoven, Brahms and Benny Goodman originals amaze. Their Everly Brothers standard morphed from Pachelbel's Canon brings tears to one's eyes.

Keith Bennett has played extensively on CDs, film and TV scores, performed with Supertramp and placed in the top ten in both chromatic and blues harmonica events at the 2013 World Championships in Germany. He has been a feature performer with the Vancouver Symphony Orchestra and for eight years was the infamous "Harmonica Man" at Canucks games.

David Sinclair toured with Sarah McLachlan and k.d.Lang across North America, Europe and Japan. His studio performances have included working with Michael Buble, Rita MacNeil, Valdy, BTO and Amy Sky. Appearances on the *Tonight Show* and *David Letterman* are part of his resume. And his Acoustic Christmas CD was among the top five all time Christmas recordings on the Vancouver Province 2008 list.

Don't miss out on a fantastic evening
